

Dear Homeowners,

Our community continues to grow and evolve, and the strength of our neighborhood depends on homeowners who are willing to become involved and help guide its future. We are currently seeking homeowners who may be interested in serving on the Board of Directors.

Serving on the Board is an opportunity to:

- Help protect and improve property values
- Participate in decisions that affect the community
- Work with neighbors to address concerns and plan improvements
- Contribute ideas and leadership for the benefit of all residents.

Board members play an important role in overseeing community operations, reviewing budgets, maintaining common areas, and helping ensure that our neighborhood remains a great place to live.

You do not need prior board experience to serve. What matters most is a willingness to participate, communicate respectfully and work cooperatively with fellow homeowners.

If you are interested in learning more about becoming a Board member, or if you would like to nominate yourself for consideration, please contact us at [fenwickcommunity@gmail.com](mailto:fenwickcommunity@gmail.com) or come to the next Board meeting on Oct. 19. You can also drop off your nomination form (located on the back of this page) in the clubhouse mailbox.

We encourage all homeowners to consider becoming involved. Fresh perspectives and active participation are essential to maintaining a strong and successful community.

Thank you for your continued support of our neighborhood.

Sincerely,

Fenwick HOA Board of Directors
